

Virgin Mary his life was spared. One thing must never be taken away from Pope John Paul II. In all my years of research on Fatima, his belief in the power of the Blessed Mother and his love for Her, as his love of Jesus Christ her son, is very strong—stronger than the powerful and magical metals titanium or kevlar.

As all Fatima scholars would say, the apparition of Our Lady of Fatima is above all the other past apparitions because of the grandeur of the Miracle of the Sun: that miracle denotes Jesus Christ meant business. The sad part is that as various people during the discourse of the 20th Century have stated during other revelations from heaven, to beware for signs of great deceptions and beware of the sad alerting signs when brother will fight brother and cardinal will fight cardinal. With everybody arguing and fighting each other, Satan will smile, for it shall appear nobody in authority will know the answer and it will be easy to confuse the masses of people. Long before the Vatican revealed the crystalline words which enlightened the world to the Third Secret, Major Dames in October of 1998 chose to enter the foreboding secrets contained in the 3rd Secret no ordinary man had known before. The projects of the past that were disclosed by PSI Tech had been largely directed at geophysical events with an occasional session trying to find lost persons, until the first of October of 1998. Until now it was confidential and for the chosen few. The Third Secret undertaken by Major Dames in a PSI Tech project is not any project for the light of heart. After he came back in late 1998 from an expedition to a Pacific island, he essentially disclosed what he discovered when he remote-viewed what is called the Third Secret.

Maj. Dames was profoundly impressed by what he remote-viewed and it is interesting to note that he became scared. The third part of the secret reveals a connection to the Holy Bible. This Secret is the beginning of the end time prophecies.

Maj. Dames—until this was remote-viewed was a simple Christian and had not taken the Bible seriously—said the third part of the secret “is an announcement that heralds events (that were) described in Revelation” of the Bible and **connected** with the biblical prophecy of the 6th Seal. To put it mildly, the words in Revelation denote the
