October 2016-2021

Today, you are beholding an in-depth review on Fatima, and related international topics, a supplement to *Alert: For The Times, Book of Secrets*. A variety of resources have been compiled for this compendium that speaks to our day. However, this compendium of historical keypoints is not for the light of heart or weak. Beware. Case in point, Wormwood, which in essence does not relate to an ancient world but to the generations of today. The story of Fatima traces its roots to the WW I era. Lucia became a nun of the Sisters of St. Dorothy after leaving Fatima. She left Fatima in the 1920s, placed in an orphanage and changed her name to Maria das Dores. Technically upon being admitted to the Novitiate of the Sisters of St. Dorothy in 1925 was known as Irma Dores, Irma is Portuguese for sister, up to March 24, 1948, whereupon she turned into a cloistered nun. Throughout this compendium it is Lucia. For the record, Wormwood translates into Chernobyl in Ukraine.

keypoint 69 On June 29, 1972, when celebrating a special mass to begin the 10th year of his Pontificate, Pope Paul VI lets slip to the world, "...from some fissure, the Smoke of Satan has entered the temple of God." He also said, "There was the belief that after Vatican II Council there would be a day of sunshine for the history of the Church. Instead," he said pessimistically, "it was the arrival of a day of clouds, of tempest, of darkness..." He added, something is preternatural and has arrived to intervene with adverse power. The Pope called him, "the devil, this mysterious being that the letter of St. Paul alludes to."

keypoint 70 The ball bearings were no longer excluded from the hands of Soviets when the Dept of Commerce approved export of not 45 Centalign-B machines for processing the tiny ball bearings to the USSR but 164 Centalign-B machines in 1972.

keypoint 71 Oct. 13, 1973: Akita message given to Sister Agnes Sasagawa of dire warnings for both the clergy and humanity, a reference filled with sadness of a prince of darkness infiltrating the Catholic Church and that fire will fall from the sky and will wipe out a great part of humanity. In a 2000 summation, Archbishop Tarcisio Pietro Evasio Bertone contradicts it saying he first read it on July 18, 1981.

keypoint 74 After 10 recurring dream-visions by David Booth and officially reported by FAA Paul Williams before it happened, the story is of a jet turning over on its side and crashing, became true on May 25, 1979, Flight 191 crashed near O'Hare; 273 people were killed.

keypoint 75 Pope John Paul II is shot by an assassin on May 13, 1981 and survives. President Reagan also shot by an assassin in 1981 and survives.

keypoint 76 August-Sept. 1981 an armada of 83

U.S., British, Canadian, and Norwegian ships led by the carrier *Eisenhower* managed to transit the Greenland-Iceland-United Kingdom Gap undetected. They used carefully crafted concealment and deception tactics, a stealth fleet, which also managed to elude a Soviet low-orbit, active-radar satellite launched to locate it. In 1981, Cardinal Joseph Ratzinger became Secretary of the Congregation for the Doctrine of the Faith.

keypoint 77 1981: As martial law was about to be instituted in Dec. and tensions heightened in Poland, a secret agent Col. Ryszard Kuklinski (r), one of the first in Poland to use a cell phone, tips off the Allies; a secret meeting was arranged in Rome between CIA Director William Casey and Pope John Paul II but acting as translator was Rev. Janusz Bolonek, who was a Communist agent in the Vatican (for 20 years) codename "Lamos." A round the clock manhunt is then conducted behind the Iron Curtain for Kuklinski; yet Kuklinski escapes on Nov. 7. The Kremlin lets Gen. Jaruzelski, Polish Prime Minister, Minister of Defense, and first secretary of the Polish United Worker's Party, issue martial law and crush Solidarity.

Quietly, Bishop Paul M. Hnilica made the Consecration of Russia to the Immaculate Heart of Mary at St. Michael's Church in the Kremlin and then said a secret mass at a church in Moscow called the "Assumption of Our Lady."

keypoint 85 *Avvenire*, March 27, edition, reports Pope also performed a silent prayer before 10,000 people on March 25 inside St. Peter, requesting Our Lady to bless “those peoples for whom You Yourself are awaiting our act of consecration.” Public use of internet on a limited basis starts. keypoint 92 March 1986 future Pope Francis I travels to Augsburg, Germany, where he is deeply moved by the painting of Mary, the Blessed Mother by a painter from the 1700s depicted untying the knots of a ribbon held out to her by an angel, while another angel is receiving another ribbon from her with no knots. This man of action never finished his “doctoral thesis” reason for going to Germany, but on his return to Argentina brought the whole story of the “untier of knots.” The knots are all that represent sins, the complexities and complications of life. And, Mary is the one who helps to untie them.

keypoint 93 On Apr. 12, 1986 a heavenly sign made by the Sun occurred, as it pulsed, changed colors and glowed with gigantic shafts of light shining down from the sky, it was recorded by motion picture camera. [As a prologue:

keypoint 94 April 26, 1986, a scientist in present-day Ukraine unlocks the safety features of the Chernobyl nuclear power plant and an explosion occurs when the Fail Safe procedure fails. The fallout is 400 times more radioactive than Hiroshima and the consequent fires lasted 10 days; a giant concrete sarcophagus enclosure was built in 206 days locking in 200 tons of radioactive corium, 30 tons of highly contaminated dust and some 16 tons of uranium and plutonium. Chernobyl translated into English is Wormwood. In the world of prophecy, Wormwood is mentioned in chapter 8 verse 11 of Revelation, which is connected to the Biblical Third Trumpet written about 2000 years ago.

The letter was discovered years later in the files of the Archbishop of Toronto, which ordered the bishop that he was not to disclose that it all came from Agustoni.

keypoint 97 Nov. 9, 1989: The Berlin Wall came down; East German authorities hand down news that the borders would be loosened but, read by reporters who mistook the change as open borders. Crowds of E. Germans head for the wall, outnumbered, guards open the barriers and thousands upon thousands begin streaming through. Hollywood star David Hasselhoff, of *Night Rider* and *Baywatch*, in his black jacket with twinkling lights suspended from a crane above the crowd **sings** the European hit, "**Freedom**" and the rest is culture history. Digital photography developed.

keypoint 98 May 13, 1990: Freedom of religion was officially allowed in Russia. Rev. Stefano Gobbi is told by our Blessed Mother this message: "Humanity has not accepted my motherly request to return to the Lord along the road of conversion....Satan has been the uncontested dominator of the events of this century...spreading far and wide division and hatred, immorality and wickedness and legitimizing divorce, abortion, obscenity, homosexuality and recourse to any and all means of obstructing life." WORLD HISTORY AXIOM: unrealized by many, the decade of the 90s is the start of a xeno-phobic-anti-Western-Culture-amorphous-Muslim war; initiated by cells of bin-Laden, extension carried by fanatical Islamo-Nazi terrorists of every age.

May 2004, reference is perhaps sounding of the Fourth Trumpet.

keypoint 101 Invasion by Saddam’s military of Kuwait results in war, and he is then ousted from Kuwait in 1991 but not before his troops set fire to the oilfields. **The skies and earth were darkened.** Saddam in **Persian means destroyer.** And, out of the abyss came locusts with power of scorpions. Coincidentally, **Apollyon in Greek translates to the destroyer.** It is in the Bible. The Fifth Trumpet is announced. In 1991, Cardinal Sodano becomes Vatican Secretary of State.

keypoint 105 A heavily edited volume of Father Alonso’s documentation on Fatima is published in 1992, but 23 other volumes are under lock and key.

keypoint 106 Balamand Statement of 1993 makes it a crime for the Roman Catholic Church to preach in Russia. There are about 500,000 Roman Catholics in a nation of about 144 million Russians. keypoint 110 Archbishop Tarcisio Bertone was named Secretary of the Congregation for the Doctrine of the Faith on June 13, 1995.

keypoint 111 At the 3rd annual "Our Lady of Fatima 2000 International Conference on World Peace" (1996) Archbishop Emmanuel Milingo made allegations that Satanic rituals were performed within the Vatican. Rev. Malachi Martin was in attendance and added, "Anybody who is acquainted with the state of affairs in the Vatican in the last 35 years is well aware that the Prince of Darkness has had, and still has, his surrogates in the court of St. Peter in Rome."

keypoint 112 Father Malachi Martin, who had actually read the Third Secret and was part of the Vatican II Advisory Council, tells on American radio show *Coast To Coast AM* hosted by Art Bell, Apr. 4, 1997, the chastisement of the 3rd Secret of Fatima involves "several." Arraial Pride, combination political rallies-party tents event becomes an annual event, with drag performances and Queer games, cleverly timed for June when Rock-in-Rio-Lisboa the 2-weekend music festival also takes place in Lisbon, Portugal; in 2018, 60,000 est. attendance, before COVID-19.

keypoint 113 Unknown to Sec of Defense Bill Perry (1994-1997) American company AT&T was allowed to export super advanced fiber-optics to Chinese firm Galaxy New Technology and it became part of Chinese air defense systems that can combat air attacks, a capability they did not possess in 1991. At start of decade, Chinese air missile technology was unguided and had no state of the art ballistic missiles, but thanks to other sales, by Loral Space and Communications CEO Bernard Schwartz and C. Michael Armstrong, Red China by close of decade could send a rocket within an incredible 100 feet of its target.

keypoint 114 Rev. Malachi Martin candidly states on *Coast To Coast AM* July 14, 1998, the warnings and messages of Garabandal are a repetition of the Third Secret in brief. Intel Pentium II silicon-crystal-wafer-like gallium chip unveiled, equivalent to 7.5 million transistors.

keypoint 115 In *Inside the Vatican* issue, former Philippine ambassador to the Vatican, Howard Dee, categorically stated in an interview that Bishop Ito was certain Akita was an extension of Fatima, and that "Cardinal Ratzinger personally confirmed to me that these two messages, of Fatima and Akita, are essentially the same."

keypoint 116 Nine former members of the *Legionaries of Christ*, a misnomer if there ever was one, filed a canonical suit in 1998 with the Congregation for the Doctrine of the Faith against the founder Marcial Maciel Degollado for sexual abuse; the Legionaries are believed to have conducted many things like drug abuse, fathering children out of wedlock and child abuse. Sec. of State Cardinal Angelo Sodano (*opposite #120*), powerful Secretary from 1991 to

2006, blocked all canonical proceedings against Maciel, his nephew.

keypoint 117 Columbine High School massacre, April 20, 1999, when 2 Colorado boys tried to blow up their school, it failed but they went on a crazy shooting spree.

keypoint 118 In reference to the appearance of the 3rd A/C, Nostradamus announced his arrival will be “preceded by an eclipse of the Sun more obscure and tenebrose than has ever been seen since the creation of the world” except the eclipse during the era of Our Lord Jesus Christ, regarding his death and passion. This big eclipse appeared Aug. 11, 1999.

keypoint 119 Dec. 31, 1999: The U.S. flag is lowered at the Panama Canal for the last time. Control of Rodman Naval Base, a U.S.-built, deep-draft port facility capable of handling, supplying, refueling, and repairing just about any warship on the Panama Canal, and control of ports at both ends of the Panama Canal changes to Hutchison Whampoa Ltd, owned by billionaire Dr. Li Ka-shing, connected to China Telecom, and CITIC [China International Trust and Investment Corporation], CITIC at the time had global assets of \$21 billion, run by Wang Jun, People’s Republic main arms dealer to Communist regimes.

keypoint 120 For 30 years, the world sees the rise of 2 diametrically opposed polar factions regarding Fatima, namely one concerns the career of Rev. Nicholas Gruner and his devotion to Fatima; the other is a perpetuation by men of high-rank within the Vatican who despise him. Intel Pentium VI chip with an equivalent of 42 million transistors debuts in 2000.

keypoint 121 Body of Pope John XXIII is exhumed in 2000 to be declared blessed, part of the progression to sainthood. Then his body is bathed in solutions of various mixes including formalin, alcohol, penol, camphor, nitrobenzene turpentine, benzoic acid and is embalmed. His face and hands are covered with wax. He is the only pope specially mummified. He is not reburied but put on display for pilgrims in a St. Peter glass enclosure.

keypoint 123 June 9, 2000: The Congregation for the Doctrine of the Faith issued sternly a doctrinal note: one cannot properly say that the Catholic Church is the sister of a particular church or group of churches....Consequently, one should avoid, as a source of misunderstanding and theological confusion, the use of formulations such as our two churches which, if applied to the Catholic Church and the totality of Orthodox churches...imply a plurality not merely on the level of particular churches, but also on the level of the one, holy, catholic and apostolic church confessed in the creed, whose real existence is thus obscured.

keypoint 124 Oct. 8, 2000: The Pope did an Act of Entrustment with 1500 bishops; 2000 was also the year the 3rd Secret was released on June 26. (Cardinal Ratzinger’s portion of the Fatima commentary stated that he and Monsignor Bertone were following the “interpretations” of Cardinal Sodano, including the part of the Third Secret which in the commentary related that the Third Secret now belongs to the past.) I was at home and watched a special 2 1/2 hour May ceremony on CNN telecast from Fatima. During the service, he issued that people are at one of the most dramatic moments in all of human history because “of the fulfillment of a divine plan.” Cardinal Sodano stated the vision of Fatima concerns “war by

atheistic systems against the Church and Christians.” He said the text contains a prophetic vision—which I call the vision module. Sodano said that the Pope had directed him to make this announcement. He alluded to the assassination attempt of the Pope (in 1981) as part of the third part of the Secret, but gave no details. The details were not disclosed until June 26, 2000. It had all been originally written during the Second World War. Franciscan order had only 60 new seminarians in year 2000; compare that to 2,251 in year 1965.

keypoint 125 Nov. 30, 2000, *Inside the Vatican* magazine reveals that a Cardinal, described as “one of the Pope’s closest advisors”, admitted that the Pope had been counseled *not to make mention of Russia* in any consecration ceremony because it would offend the Russian Orthodox.

keypoint 127 Sept. 2001 final preparations by terrorists include using the internet in Public libraries for free. Sept. 11, 2001: terrorist attack upon the United States people. Lit by the candles of the King of Terror, the bearded commander bin Laden, a terrible force of Lucifer is unleashed on earth, and the bodies of over 2000 Americans are taken to the grave. Two

GOES satellites registered a gigantic magnetic field spike of the Earth, only 15 mins after the first Twin Tower was hit, a possible link between our magnetic field and the collective human emotion response? 2001 also had a double peak for the Solar Max.

keypoint 129 Former Philippine ambassador to the Vatican Howard Dee recollected to the world what Cardinal Ratzinger told him: the message of Akita is essentially the same as Fatima, related in *Catholic World News*, Oct. 11, 2001 issue.

keypoint 129 Dec. 20, 2001: The Vatican Information Service (VIS) released publicly that Sister Lucia had meditated upon the June 26, 2000 booklet of the 3rd Secret and via an interview of Nov. 17 in the presence of Rev. Luis Kondor, Sister Lucia had declared the acceptance of the '84 consecration, while the Carmelite community "rejects the forms" of Fr Gruner—as to which forms the interview is describing about, the VIS does not disclose nor does it explain—why after over 70 years of statements that the consecration of Russia was requested by Our Lady—does it now exclaim that it is unneeded; a full contradiction of her prior testimony.

keypoint 130 Jan. 9, 2002: English edition, *L'Osservatore* in an article-interview of 463 words of Sister Lucia back on Nov. 17, 2001 [conducted by Msgr Bertone (became Cardinal in 2003)] stated the interview interprets the 3rd Secret made in the Jubilee Yr (2000) was all revealed, specifically with this line, "Everything has been published...." Question: was everything that the Pope had to read published? or was everything of one part published? or was everything of only the part that was publicly revealed published? No transcript of the interview has been given to the public up to this day.

keypoint 131 In 2002, the Blessed Mother appeared to Fr Wingate telling him it is too late to turn back or run out. Events of punishment to come can only be lessened. And, it can no longer be prevented. Intel Itanium 2 debuts, chip equivalent to 220 million transistors.

keypoint 132 In 2003, Rev. Wingate goes public with 1st appearance on *Coast To Coast AM (C-2-C)* Jan. 3, 2003. Two months later, the air-naval-ground invasion of Iraq; an allied force of 214,000 American, 45,000 British, 2,000 Australians, 2,400 Polish and several other nations—opposite them are 13 Iraqi infantry divisions and 10 armored/mechanized divisions.

keypoint 133 A relative of Lucia, David Booth, begins to receive 10 dream-visions in 2003.

Surprise
